## International Open Call

Trallallero festival is organized by teatro al quadrato and represents **an opportunity for sharing ideas and having debates** about theatre and culture activities for kids and youth.

For the 2022 edition, in collaboration with Assitej-Italia, the **international call is dedicated** to European companies of TYA, and will allow **two companies** to represent their shows during Trallallero 2022 festival and participate to workshops and international meetings.

We would like to create an opportunity for exchanging different points of view and knowledge among the companies, preferring young and small productions, **in order to create a space for mutual exchange of competences and planning** and hopefully being added in the international schedule circuit.

### GENERAL CONDITIONS

We guarantee a **budget of € 800,00 per show**.

We also **guarantee you a basic technical equipment**. Our staff will consider your technical needs and in case of particular requests which we cannot satisfy, you will have to provide your own equipment.

**We can provide accomodation and meals** for the actors, technicians and the appointed representative of the selected companies.

The **travel costs** will be for the theatre **companies' own account**.

**Pay attention!** Some venues are non-theatrical spaces with limitations: not completely darkened or with electrical loads non exceding 6 kWatt. Shows suitable or adaptable to these venues will be preferred in the selection. So remember to also send us an "essential" technical rider of your show.

## HOW TO APPLY?

In order to apply we kindly request you to complete the **application Form** (use this [link](#)) before the **8<sup>th</sup> of July 2022**.

The selected companies will be contacted by e-mail **before the 22<sup>th</sup> of July 2022**
